

Warranty

Products : NAPA Bodypro

Date of issue: October 9, 2018

NAPA Bodypro products manufactured and sold for commercial or industrial use, are warranted to be free from defects in material and workmanship during the normal life of the product.

Bodypro's obligations under this warranty and the sole remedy for its breach are limited to the replacement of product proven to be defective. All returns of defective products must be made through a NAPA Warehouse.

1. The warranty provided herein does not cover charges for labor or other costs incurred in the replacement of product.
2. All claims under the warranty provided herein must be made within thirty (30) days from the date of discovery of the defect. Failure to notify Bodypro of a warranted defect within thirty (30) days of its discovery voids Bodypro's obligations hereunder.
3. The warranty provided herein shall be void and of no effect in the event that (a) the product has been subjected to misuse, neglect or accident; (b) modifications are made to the product; (c) the product is not handled in compliance with the manufacturer's instructions

Please note that all polishers cannot be returned without prior written authorization given by Auto-Chem headquarters or your Auto-Chem representative.

In addition, this tool is generally repairable which can be performed within a reasonable time. In case of a defect, please notify us as soon as possible. A return authorization number will then be given.

The polishers are for automotive finishing use exclusively. Any misuse (eg polishing of metals) causes the cancellation of the warranty. Please be aware that the polishers are under warranty for three (3) months from the date of purchase and that this warranty applies only for normal usage.
