

CHORE MASTER® STATEMENT OF WARRANTY

The manufacturer of this washer offers the original owner a one (1) year limited warranty. The manufacturer guarantees the Chore Master® cold water pressure washer to be free from defects in materials and/or workmanship. Any defective parts not subject to normal wear and tear will be repaired or replaced at the manufacturers option during the warranty period. All warranties will begin from the original date of purchase.

ONE (1) YEAR PARTS WARRANTY

Thirty (30) day warranty on high pressure hose, strainer filter, trigger gun and wand.

WARRANTY DOES NOT COVER:

Normal wear parts: pump packing, pump valves, unloader, detergent valves, o-rings, or spray nozzles.

Parts damaged due to misuse or operation at other than recommended speeds, pressures, temperatures or improper installation.

Parts damage due to misuse or worn because of low temperatures, the use of caustic liquids or by operation in abrasive or corrosive environments or under conditions causing pump cavitation.

IMPORTANT:

This unit was designed to be operated in a light duty application only. The use of this washer in any other application will void warranty. Failure to follow the recommended operating and maintenance procedures or failure to use genuine Mi-T-M® parts also voids the warranty.

GENERAL INFORMATION:

The engine warranty will be handled through the engine factory. The consumer will be responsible to prepay freight if warranty is to be considered. Parts returned prepaid to our factory or to a Mi-T-M® Authorized Service Center will be inspected and replaced free of charge if found to be defective and subject to this warranty. There are no warranties which extend beyond the description on the face hereof. Under no circumstances shall the manufacturer bear responsibility for loss of the unit, loss of time, inconvenience, consequential damages, pickup or delivery charges.
