

Warranty Statement

Quality Lifts, Inc. (QL) lifts are guaranteed to the original owner. QL shall repair or replace, at QL option, for the full warranty period those parts that prove upon inspection to be defective and pay for reasonable costs of transportation and/or labor for replacement of said parts

for the warranty period stated below. This warranty shall not apply unless the product is installed, used and maintained according to QL's specifications set forth in QL's installation, operation, and maintenance instructions. Use of any unapproved parts or accessories will void your warranty. This limited warranty extends only to the original purchaser and is not transferable. This warranty is valid only if the product has been registered with Quality Lifts, Inc.

This warranty does not cover normal maintenance or adjustments, damage or malfunction caused by improper handling, installation, abuse, misuse, negligence, carelessness of operation, or normal wear and tear. In addition, this warranty does not cover equipment when repairs have been attempted or made by anyone other than a QL authorized service representative.

This warranty is exclusive and is in lieu of all other warranties expressed or implied including any implied warranty of fitness for a particular purpose, which implied warranties are expressly excluded. No

employee, agent, representative, dealer or other person or entity is authorized to give any warranties of any nature on behalf of QL.

The remedies described are exclusive and in no event shall QL, Inc. be liable for special, consequential or incidental damages for the breach of or delay in performance of the warranty. This warranty shall be governed by the Commonwealth of Kentucky, and shall be subject to the exclusive jurisdiction of the Court in the Commonwealth of Kentucky in the County of Jefferson.

Functional parts are considered the power units, cylinders, sheaves, sheave pins, hoses, hydraulic & pneumatic fittings, cables, adapters, latches, valves, and controls.

Structural parts are considered the carriage, columns, column extensions, overhead beams, arms, cross beams, runways, wheel stops, ramps, bolsters, sync rails, and plungers.

Note: Warranty registration must be completed online at challengerlifts.com/register-your-lift or warranty period will begin from invoice date of lift purchase.
