CONDITIONS OF WARRANTY

TO OBTAIN WARRANTY COVERAGE:

All Service and Warranty on WCTA Products is handled by a Lincoln Authorized Service Facility (LASF). For assistance in locating a LASF logon to www.lincolnelectric.com/products/service and click on "[Service Shop Locator](#)".

Final determination of warranty on welding and cutting equipment will be made by LASF.

WARRANTY REPAIR:

If the LASF confirms the existence of a defect covered by this warranty, the defect will be corrected by repair or replacement at WCTA's option.

At WCTA's request, the purchaser must return to WCTA any "Goods" claimed defective under WCTA's warranty.

FREIGHT COSTS:

The purchaser is responsible for shipment to and from the LASF.

WARRANTY LIMITATIONS

WCTA will not accept responsibility or liability for repairs made outside of a LASF.

WCTA's liability under this warranty shall not exceed the cost of correcting the defect of the WCTA product.

WCTA will not be liable for incidental or consequential damages (such as loss of business, etc.) caused by the defect or the time involved to correct the defect.

This written warranty is the only express warranty provided by WCTA with respect to its products. Warranties implied by law such as the warranty of merchantability are limited to the duration of this limited warranty for the equipment involved.

This warranty gives the purchaser specific legal rights. The purchaser may also have other rights which vary from state to state.

⁽¹⁾ Equipment manufactured for WCTA is subject to the warranty period of the original manufacturer.
