Warranty Policies and Procedures (by product line)

A vehicle manufacturer may not condition a warranty on using a specific product identified by brand, trade or corporate name under federal law unless the manufacturer obtains a waiver from the Federal Trade Commission. We are not aware of any vehicle manufacturer seeking to obtain any such waiver with respect to a Prestone product. We also are not aware of a single instance in which a vehicle manufacturer has denied a warranty claim due to the use of a Prestone product.
