Weitron Warranty Policy

All Weitron tools and equipment are warranted against defects in materials and workmanship for a period of one (1) year from the date of purchase when used in accordance with its product user manual or instructions.

If a defect arises during the warranty period, Weitron, at its option and to the extent permitted by law will (1) exchange the product with a functionally equivalent product that is new in performance and reliability, or (2) refund the original purchase price. This warranty excludes damage resulting from abuse, accident, modifications, or other causes that are not defects in materials and workmanship.

To the extent permitted by applicable law, Weitron is not liable for any direct, indirect, incidental, or consequential damages arising out of the use or service of the product. The warranty and remedies described above are exclusive and in lieu of all other warranties, remedies, and conditions whether oral, written, express, statutory, or implied. To the extent permitted by applicable law, Weitron disclaims all implied and statutory warranties, including warranties of merchantability and fitness for a particular purpose. If implied warranties cannot be disclaimed, then such warranties are limited in duration to the duration of this warranty. Any recovery is limited to the original purchase price.

Due to ongoing testing and product research, Weitron reserves the right to change product design and/or price without notice.
