

WARRANTY & PARTS

WHAT IS BAILEIGH INDUSTRIAL'S WARRANTY?

All of our machines come with a one-year warranty that covers replacement parts.

In addition, you are entitled to lifetime technical support and advice from our team of technical specialists—customer service representatives with hands-on experience.

DOES BAILEIGH SELL REPLACEMENT PARTS?

Yes, we carry the most common replacement parts for all machines in stock. In the unlikely event that the part you need is out of stock, we will have it back in very soon.
