

PROTECTION THAT GOES THE DISTANCE

- The Shell Rotella Lubrication Warranty is offered to operators of Heavy Duty Diesel powered vehicles and Gas powered Pickup Trucks and SUVs.
- The Shell Rotella Lubrication Limited Warranty provides coverage for ten (10) heavy duty diesel engine parts and fifteen (15) Pickup Truck and SUV Gas engine parts, brought to you by the world's #1 lubricants supplier¹
- Free limited warranty with purchase of*:
 - Shell Rotella® T6 Full Synthetic heavy duty diesel engine oil or Shell Rotella® T6 Multi-Vehicle Full Synthetic heavy duty diesel engine oil for up to 10 years or 500,000 miles (whichever comes first)
 - Shell Rotella® T4 Triple Protection® heavy duty diesel engine oil or Shell Rotella® T5 Synthetic Blend Technology heavy duty diesel engine oil or Shell Rotella® T5 Ultra Synthetic Blend heavy duty diesel engine oil or Shell Rotella® Gas Truck & SUV engine oil for up to 10 years or 300,000 miles (whichever comes first)
- Transferable up to 75,000 miles
- Customers can enroll vehicles in the program that have less than 50,000 miles and manufactured within the last 24 months.
- Easy enrollment at www.Rotella.com²
- Some conditions apply. See www.Rotella.com for full terms and conditions

UP TO 10 YEARS OR 500,000 MILES SHELL ROTELLA LUBRICATION LIMITED WARRANTY

HOW MUCH WILL THIS COST ME?

The Shell Rotella Lubrication Limited Warranty is FREE with the purchase and exclusive use of Shell Rotella® T4 Triple Protection® heavy duty engine oil or Shell Rotella® T5 Synthetic Blend Technology heavy duty engine oil or Shell Rotella® T5 Ultra Synthetic Blend heavy duty engine oil or Shell Rotella® Gas Truck & SUV engine oil for up to 10 years or 300,000 miles, whichever comes first, or Shell Rotella® T6 Full Synthetic heavy duty engine oil or Shell Rotella® T6 Multi-Vehicle Full Synthetic heavy duty engine oil, up to 10 years or 500,000 miles, whichever comes first.

WHAT DO I NEED TO DO?

1. Use an eligible Shell Rotella® engine oil. The warranty takes effect six (6) months after your first purchase of an eligible Shell Rotella® engine oil.
2. To enroll, complete the online registration form at www.Rotella.com²
3. Some conditions apply. See www.Rotella.com for full terms and conditions.
4. To maintain warranty, SOPUS Products, at a minimum, requires that you service your vehicle's engine with an eligible Shell Rotella® engine oil, in the service classification and viscosity grade that is appropriate for your vehicle as recommended by your vehicle manufacturer. You should change your vehicle's oil and oil filters at least as often as your vehicle manufacturer recommends (refer to your owner's manual), and keep your receipts.
5. Update your oil change records online at least once every twelve (12) months, even if no oil change has taken place, on Shell Rotella Lubrication Limited Warranty website so you can maintain your coverage, www.Rotella.com/warranty.

DOES MY VEHICLE QUALIFY FOR COVERAGE UNDER THE SHELL ROTELLA LUBRICATION LIMITED WARRANTY FOR HEAVY DUTY DIESEL ENGINES?

To qualify, your vehicle must be a Class 1 – Class 8 with a heavy duty diesel engine used in on-road applications with a gross vehicular weight of 80,000 pounds or less that you own or lease, and which has been driven 50,000 miles or less when you first used an eligible Shell Rotella® engine oil and whose manufactured date is within the last 24 months of your first use of an eligible Shell Rotella® engine oil ("Eligible Vehicle").

WHAT DOES THE SHELL ROTELLA LUBRICATION LIMITED WARRANTY COVER?

This Shell Rotella Lubrication Limited Warranty covers Class 1 – Class 8 vehicles used in on-road applications. When registered², this limited warranty provides coverage for repair or replacement of certain heavy duty engine parts that fail on account of engine wear or which experience abnormal wear, because Shell Rotella® engine oil failed to provide proper lubrication.

- Up to 10 years or 500,000 miles (whichever is first) – If you exclusively use Shell Rotella® T6 Full Synthetic heavy duty engine oil or Shell Rotella® T6 Multi-Vehicle Full Synthetic heavy duty engine oil
- Up to 10 years or 300,000 miles (whichever is first) – If you exclusively use Shell Rotella® T4 Triple Protection® heavy duty engine oil or Shell Rotella® T5 Synthetic Blend Technology heavy duty engine oil or Shell Rotella® T5 Ultra Synthetic Blend heavy duty engine oil or Shell Rotella® Gas Truck & SUV engine oil

Full details will accompany your limited warranty documentation. This outstanding protection can be yours by using an eligible Shell Rotella® engine oil now, and with every oil change. The Shell Rotella Lubrication Limited Warranty gives you the advantage of added protection for your vehicle.

ENROLL TODAY!²

*Your Class 1 – Class 8 vehicle must have 50,000 miles or less and been manufactured in the past 24 months of your first use of an eligible Shell Rotella® engine oil or Shell Rotella® Gas Truck engine oil. To maintain warranty, you must change your oil with any Shell Rotella® engine oil as recommended by your vehicle manufacturer.

The term "Shell Lubricants" refers to the various Shell Group companies engaged in the lubricants business.

THE ENGINE OIL THAT WORKS AS HARD AS YOU

SHELL ROTELLA® T6 FULL SYNTHETIC HEAVY DUTY ENGINE OIL

Shell Rotella® T6 Full Synthetic heavy duty engine oil with **Triple Protection Plus™** technology is our hardest working engine oil yet. It has been enhanced with synthetic base oils plus advanced additive technology to protect against wear, deposits and oil breakdown PLUS:

- Fuel economy savings of up to 1.5%³
- Excellent extreme high/low temperature protection
- Engineered to control turbocharger deposits
- It's designed to provide hard working protection under the most severe engine conditions found in modern low emission engines.
- Provides 40% better deposit control than the legacy Rotella® T6 5W-40 CJ-4 product⁴

SHELL ROTELLA® T6 MULTI-VEHICLE FULL SYNTHETIC HEAVY DUTY ENGINE OIL

Shell Rotella® T6 Multi-Vehicle full synthetic heavy duty engine oil introduces a heavy duty engine oil that performs extremely well in both diesel and gasoline engines, allowing mixed fleet customers to consolidate lubricants for added simplicity in use and storage. Designed to exceed CK-4 specs, Shell Rotella® T6 Multi-Vehicle heavy duty synthetic engine oil with **Triple Protection Plus™** uses fully synthetic base oils, plus advanced additive technology to provide protection against wear, deposits and oil breakdown.

- Better fuel economy performance up to 2.8%⁷
- Excellent high/low temperature protection
- Designed to provide protection under the most severe conditions in diesel or gasoline engines
- Excellent cold temperature flow for easier start up in extreme cold

SHELL ROTELLA® T5 ULTRA WITH TRIPLE PROTECTION PLUS™

Hardworking diesel engines need a heavy duty oil that works just as hard. Shell Rotella® T5 Ultra with **Triple Protection Plus™** technology is designed to provide modern diesel engines with hardworking protection that adapts to virtually any driving condition. Triple Protection Plus™ is the unique combination of Triple Protection® – advanced additive technology and synthetic base oils. Triple Protection Plus™ represents protection against wear, deposits, oil breakdown plus better fuel economy performance. This unique combination helps to deliver excellent equipment protection, long engine life and maintain viscosity control under high temperatures.

- Exceptional oil consumption control
- Enhanced fuel economy savings⁸ without sacrificing on wear protection
- Improved oxidation protection under extreme conditions compared to CJ-4 oils
- Low ash formulation helps protect exhaust catalysts and particulate filters

SHELL ROTELLA® T5 SYNTHETIC BLEND HEAVY DUTY ENGINE OIL

Shell Rotella® T5 Synthetic Blend Technology synthetic blend heavy duty engine oil with **Triple Protection Plus™** technology uses synthetic base oils plus advanced additive technology to provide protection against wear, deposits and oil breakdown PLUS:

- Fuel economy savings up to 1.6%³
- Extended drain capabilities⁵
- It delivers an average of 44% better than the maximum wear requirements.⁶
- Improved oxidation protection under extreme conditions compared to CJ-4 oils
- Demonstrated protection against oxidation and corrosion in the presence of biodiesel

SHELL ROTELLA® T4 TRIPLE PROTECTION® HEAVY DUTY ENGINE OIL

Shell Rotella® T4 Triple Protection® heavy duty engine oil builds upon the heritage of **Triple Protection®** technology that customers have come to depend on. Today, it is more advanced than ever before — designed to provide harder working protection that adapts to your driving conditions.

- Delivers an average of 50% better wear protection than legacy Shell Rotella® T Triple Protection 15W-40
- Resists Oxidation up to 50% longer than the legacy Shell Rotella® T Triple Protection 15W-40 which results in protection against wear and deposits to keep engines running longer, cleaner and operating efficiently
- Increased shear stability for better viscosity control and optimal oil pressure
- Improved oil aeration
- Heightens emission control system durability

SHELL ROTELLA® GAS TRUCK FULL SYNTHETIC ENGINE OIL

Shell Rotella's reputation as the maker of the #1 heavy duty engine oil brand in North America¹ was built on years of delivering a quality product that protects diesel engines engaged in some of the hardest working conditions out there. Shell Rotella Gas Truck brings that same quality and protection to gasoline powered pickup trucks and SUVs. Whether your driving style is built around urban stop n go traffic, heavy hauling and towing or driving in dusty off-road conditions, this product is an excellent choice for you. It has been designed with high quality synthetic base stocks and an advanced additive package that helps protect your pickup truck and SUV through some of the harshest conditions with key focus on delivering unsurpassed wear protection that higher-torque powertrains need to support the user in:

- Heavy Hauling
- Towing
- Rugged Terrain
- Stop n Go Driving
- Extreme Hot and Cold Temperatures

STATEMENT TO VEHICLE OWNER

This is a FREE Shell Rotella Lubrication Limited Warranty for heavy duty diesel engines or gas powered pickup trucks or SUVs with purchase and use of an eligible Shell Rotella® engine oil. No one may charge you for it. It covers ten ten (10) heavy duty diesel engine parts and fifteen (15) Pickup Truck and SUV Gas engine parts lubricated by engine oil against lubrication-caused failure. It does not extend the vehicle manufacturer's limited warranty. It contains certain conditions, exclusions and service requirements. When you receive your Shell Rotella Lubrication Limited Warranty package, please read it carefully to understand the terms and conditions. Save all your receipts for oil changes and engine maintenance. To review the terms and conditions of the Shell Rotella Lubrication Limited Warranty prior to enrolling, please visit www.Rotella.com. Individuals or professional associations, or corporations that own or lease vehicles and are primarily obligated for their service and repairs performed at an installer, truck service center, commercial fast oil change facility, truck auto parts retailer, or truck dealer qualify for our program. Those vehicles that are used, registered or leased for offroad, agricultural/farming or competitive purposes do not qualify for the Shell Rotella Lubrication Limited Warranty.

Enroll at www.Rotella.com²
