

Who is covered:

You are eligible for the benefits of this warranty if you are the original retail purchaser of a Sachs Clutch Kit or clutch product, still own the vehicle on which the Sachs Clutch Kit or product was installed and Sachs continues to offer the warranted product in its program.

What is covered and for how long:

ZF Services, LLC (“ZF”) warrants its clutch products to be free from defects in materials and workmanship under normal use and service as hereinafter provided, for twelve months (1 year) after installation in a vehicle.

What is NOT covered:

This warranty does not cover any Sachs product that has been:

1. Supplied for high-performance purposes
2. Modified, altered or subjected to abuse, negligence or accident
3. Installed on a vehicle that was then involved in an accident
4. Improperly installed or installed on any vehicle for which it was not designed
5. Installed on any vehicle which has been modified
6. Installed on any vehicle which has been used commercially or for rallying, racing or off-road use
7. Used on a vehicle other than the one on which it was originally installed
8. Presented for warranty coverage due to improper servicing, normal wear and tear or abuse
9. Presented for warranty coverage by one other than the original purchaser

Any implied warranties, including warranties of merchantability and fitness for a particular purpose shall be limited in duration to the period of the time set forth above. ZF shall not be responsible for incidental or consequential damages and its liability shall be limited to the amount paid for the product. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

What ZF Services will do:

ZF’s obligation under this warranty is limited to providing, at no charge, a replacement for any part of such clutch product that fails within the terms of this warranty. ZF will not be responsible for the cost of labor related to the installation of the replacement part. ZF Services will replace any defective or worn-out Sachs Clutch Kit or product covered by this warranty with a new one. ZF Services will neither remove nor install, and will not pay for the removal, shipping or installation of any Sachs product under this warranty.

What you must do:

In order to obtain warranty service, the entire clutch assembly, including, the clutch cover assembly, the clutch driven disc, the pilot bushing, if applicable, and the releaser along with proof of flywheel resurfacing or flywheel replacement, must be returned to an authorized ZF distributor, with proof of purchase, work order, full particulars as to the type of use, application, and length of service of the failed part. Additional information or assistance regarding warranty claims may be obtained by writing to: ZF Services, LLC, 777 Hickory Hill Drive, Vernon Hills, IL 60061, ATTN: Technical Support Department.

This is the only express warranty applicable to products offered in the Sachs Clutch Program. ZF Services neither assumes nor authorizes anyone to assume for it any other express warranty. This warranty gives you specific legal rights, and you may also have other rights which vary state to state.
