

LIFETIME WARRANTY

Except as specified below, Proto® Industrial Tools, a business unit of Stanley Black & Decker, Inc. ("Proto") warrants any of its Proto® branded products, including products sold by the Proto® Industrial Tools that are marketed as products "by Proto," for the useful life of the product against defects in material or workmanship.

Torque Wrenches, Torque Multipliers and Torque Testers are warranted for one year, except for calibration which is warranted for ninety (90) days from date of purchase. Torque products can be repaired and re-calibrated for a nominal charge at the Proto® Authorized repair center located at 2195 East View Parkway, Ste 103, Conyers, GA, 30013 or any other such location as may be designated by Proto. Defects in material or workmanship will be repaired or replaced at no cost; all other repairs will be at a nominal charge. Torque products are precise measuring devices that require care in handling. Proto® recommends that all torque wrenches be re-calibrated once a year or more, depending on usage.

Air tools are warranted for a period of TWO YEARS from the original purchase date. Our obligation to the original purchaser shall be limited to repairing or replacing, at our expense (not including shipping charges) a defective tool if returned by the original purchaser within two years from the date of purchase, all incoming shipping charges prepaid. THIS WARRANTY DOES NOT COVER DEFECTS OR DAMAGES TO THE TOOL (i) after the warranty period expires; (ii) resulting from misuse or abnormal operation; (iii) resulting from a failure to properly lubricate, maintain or operate the tool; or (iv) resulting from any repair or maintenance services performed by any party other than PROTO® at all DeWalt® Service Centers or a person authorized by PROTO® to provide repair and maintenance services for this tool.
