ABAC USA WARRANTY

Rotary Screw Compressor

Packaged Compressors and Refrigerated Dryers

Twelve (12) months from date of start-up or eighteen (18) months from date of shipment from factory, whichever occurs first.

Optional 3-Year Extended Warranty

The *ABAC USA Authorized Service Partner Start-Up Program* allows the end user / customer to obtain three (3) year warranty return for opting for an ABAC USA Authorized Partner start up and commissioning in exchange for a fixed fee. For full details please consult the ABAC USA Warranty Agreement or contact the Piston Technology Center Technical Support

Refrigerated Dryers

Three years, (36) months from end user installation and commissioning date (not to exceed 42 months from the date of shipment).

Air/Fluid Reservoir Tanks

Three years (36) months from the date of start-up (not to exceed 42 months from the date of shipment). In the event of a reservoir tank failure, the parts and labor coverage is limited to the reservoir tank itself and does not cover the separator element(s) or loss of fluid.

Heat Exchangers

Three years (36) months from the date of start-up (not to exceed 42 months from the date of shipment). In the event of a heat exchanger failure, the parts and labor coverage is limited to the heat exchanger itself and does not cover the loss of fluid.

Drive Motor

Three years (36) months from the date of start-up (not to exceed 42 months from the date of shipment). All other components excluded

* For details and exact dates please refer to ABAC Warranty Agreement
