This limited warranty (“Warranty”) is limited solely to the replacement of a failed Product, as determined and/or confirmed by NAPA in its sole discretion, and does not include the cost of labor for installation, removal or re-installation of a replacement Product. This Warranty is also limited to the original consumer and is not transferable to subsequent owners of the Product or to subsequent owners of the vehicle on which the Product has been installed. This Warranty assumes that installation of the Product was done in accordance with the Product’s vehicle application data and with all applicable instructions and industry standards. This Warranty specifically excludes any and all damage or loss caused by faulty or improper Product installation. This Warranty also specifically excludes normal wear and tear; failures caused by misuse; use in racing, marine, aircraft or heavy-duty/commercial/fleet applications; unauthorized Product modifications; neglect; abuse; accident or improper uses of the Product in violation of accepted industry standards.

This Warranty is the only express warranty that applies to the Product and sets forth all of the obligations and responsibilities of NAPA. All applicable implied warranties, if any, are limited to the terms, conditions and duration of this express Warranty. All other warranties, express or implied, are specifically disclaimed including but not limited to any implied warranties of merchantability or fitness for a particular purpose. NAPA shall not be responsible or liable for any amount of damage beyond the replacement of (or reimbursement for the cost of) the Product. Incidental, consequential, special or punitive damages (including lost profits) are specifically excluded from coverage under this Warranty.

State law rights: This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
