

## Electric Warranty Information

Every Makita power tool is thoroughly inspected and tested before leaving the factory. Warranties regarding defects from workmanship and materials vary depending on the product and/or product series.

All Makita tools are warranted to be free of defects from workmanship and materials for a period of ONE YEAR from the date of original purchase

Should any problem develop during the specified warranty period shown in part one or part two above,

Return the complete product (freight prepaid) to one of [Makita's Factory](#) or [Authorized Service Centres](#) in Canada. If a qualified inspection shows the problem is caused by defective workmanship or material, Makita may choose to repair and/or replace the product in question.

This warranty does not apply where:

- Repairs to the product have been made or attempted by others
- Repairs to the product are required because of normal wear and tear
- The product has been abused, misused or improperly maintained
- Alterations have been made to the product

In no event shall Makita be liable for any indirect, incidental or consequential damages from the sale or use of the product. This disclaimer applies both during and after the term of this warranty. Makita disclaims liability for any implied warranties, including implied warranties of merchantability and fitness for a specific purpose, after the applicable term of this warranty.

This warranty provides for specific legal rights. The provisions contained in this warranty are not intended to limit, modify or take away from, disclaim or exclude any warranties set forth in any legislation. To the extent required by law, the provisions in any provincial or federal legislation with respect to warranties take precedence over the provisions of this warranty.

This warranty is subject to change without notice.
