Prestone® Concentrate Antifreeze/Coolant is the ideal solution to help your engine last longer. Fortified with patented COR-GUARD™ corrosion inhibitors, Prestone protects against corrosion and helps keep your cooling system running more efficiently. Keep your entire cooling system, including your radiator and water pump, free from the damaging effects of worn-out antifreeze. Use Prestone, the antifreeze specifically designed for the sophisticated engines in today's cars and light duty trucks.

- All makes, all models of ANY car or light duty truck
- Works with ANY color antifreeze
- Will NOT void vehicle manufacturer's warranty
- Up to 5 years or 150,000 miles of protection\*\*

\*Prestone is the number one selling Antifreeze/Coolant brand in North America.  
 \*\*With a complete flush and fill per manufacturers' recommendations.

PROTECTION	FREEZE-UP Protection	BOIL-OVER Protection†	CORROSION Protection
<b>MINIMUM</b> 50% Antifreeze 50% Water	<b>-34°F</b>	<b>+265°F</b>	Meets or exceeds ASTM D3306, and ASTM D4985.
<b>MAXIMUM</b> 70% Antifreeze 30% Water	<b>-84°F</b>	<b>+276°F</b>	

†Using a 15 lb. pressure cap in good condition.

**! WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

**WARNING:** Contains ethylene glycol (107-21-1), diethylene glycol (111-46-6), and proprietary inhibitors.

**DO NOT** drink antifreeze or solution. Do not store in open or unlabeled containers. Avoid contact with eye, skin and clothing. Wash thoroughly after handling. Avoid breathing vapors or mists. Solution is poisonous to animals.

**IF SWALLOWED, CALL A POISON CENTER OR GO TO A HOSPITAL EMERGENCY ROOM IMMEDIATELY.** If inhaled, move to fresh air. Seek medical attention if symptoms persist. In case of contact, wash with water.

**KEEP OUT OF REACH OF CHILDREN AND PETS.**

## CONCENTRATE ANTIFREEZE/COOLANT

**CAUTION: DO NOT OPEN THE COOLING SYSTEM WHEN THE ENGINE IS HOT.** Refer to service manual for any special cooling system service instructions. After use, please tighten child-resistant cap and wash hands.

‡Based on lab testing vs. the leading branded competitor.

### Flush and Fill

- ✓ Requires 1-2 gallons of Prestone Concentrate Antifreeze/Coolant
- ✓ Rejuvenates the entire cooling system, protects against corrosion and provides ultimate freeze-up and boil-over protection

### For a badly neglected system

You can use Prestone Flush + Cleaner. According to directions; fill half the volume of the cooling system with Prestone Concentrate Antifreeze/Coolant; top off with distilled water until full.

For more information on how to flush and fill your system, scan this code or visit our website [www.prestone.com](http://www.prestone.com)

**DISPOSING OF USED ANTIFREEZE/COOLANT:** Dispose of contents and containers in accordance with local and national regulations.
